

Fairview UMC Parent Waiver and Consent to Use of Minors Images on the FUMC Website

From time to time, we record digital images of children 18 years and younger participating in the activities of our church.

We desire to post these on our website to provide information to the community about our programs and services.

Given the global nature of the Internet, Fairview Church prohibits the posting of any child images or identifying information on our website without expressed written permission from the parent. It is our intent to protect children and family rights to privacy, and endeavor to publish student photos on our site only as a means of promoting the church.

No identifying information (name, address, etc.) will be included with any child's picture.

The undersigned retains the right to refuse the posting of any particular image of the above named child, and to request the removal of any image at any time.
